Amberley Blending Classic and Contemporary Design Seamlessly...

The Amberley collection of dining and living furniture has been inspired from classical influences to create a contemporary range of furniture for discerning homes.

Made with real wood and real wood veneers with a choice of two finishes of either a warm European Cherry or a rich American Walnut.

Our attention to detail is paramount with dovetail joints, pewter handles, bevelled glass and smooth sinuous curving lines framing and creating elegant design features.

Amberley exudes quality within its design.

So, browse through our brochure and be inspired by Amberley.

Amberley Dining...

Make the dining experience an experience...

Offering a choice of tables and chairs Amberley's intention is to make your dining experience an experience.

With versatility in mind the Amberley tables when closed offer a more intimate dining experience but cleverly have the extending facility to include a greater number of diners.

Amberley Display...

Enrich your surroundings with Amberley...

Both aesthetic and functional principles have been considered when designing for the Amberley display, which include display units and sideboards.

The quality of finish with the beautifully crafted curved drawer fronts and picture frame door surrounds, along with the bevelled glass and down lighters to enhance your display of treasured possessions makes Amberley a truly distinctive piece of cabinet to own.
