a library for living_

stylishly

Create a presence with the soft curves and bold uprights of this imaginative and versatile collection of bookcases.

Form & Function

Shades 'Living Library' is the new collection of distinctive, shapely bookcases designed to complement our existing teak ranges.

Bookcases need to be functional, but they should also look good; framing your book collection or display pieces. In Living Library we have blended shape and proportion to create a smart and elegant look that will fit perfectly into your home.

Flexibility & Choice

Either free-standing or configured as a group, these bookcases add a stylish feature to any room. From a stand alone single unit to a full showcase display, our Living Library collection will ensure that your books are always displayed at their very best.

With such a wide selection of combinations to choose from, we can also lend a hand to help you create your ideal solution.
