## CHICHESTER

Chichester is a collection of living and dining furniture made from solid Acacia and Acacia veneers which have been cleverly laid in an uneven pattern to replicate a solid wooden plank effect. It is then stained and patina'd to create an attractive weathered appearance which is then sealed with a protective clear lacquer finished.

The double ended extending drawer leaf dining table extends from 2metres to 2.8metres and will comfortably seat 10 people, using either the upholstered back chairs or the stylish dining bench. Storage and occasional furniture complete this attractive collection and make Chichester perfect choice for many rooms around the home.
